Carol A. Kostulias

Scholarship Information: The Mineola Dads Club - Carol A. Kostulias Scholarship is a scholarship that will be awarded annually to a graduating student from Mineola High School who is pursuing a degree in the healthcare industry. Carol Ann Kostulias worked over 25 years in an inner-city Emergency room. She had a knack for keeping her sense of humor under stressful work conditions, allowing her to help put at ease and comfort the patients she was caring for. Carol had a strong internal drive to help others and found great joy throughout her life taking care of patients, family, friends, and neighbors.

Carol had many other passions throughout her life, spending time with family, traveling, baking, cooking, photography, raising butterflies, water skiing, fishing, baseball, ceramics and stained glass creations to name a few. However, since a little girl, gardening was always a constant love of her life. She won many best in show awards for growing African Violets & Roses. She became an expert on African Violets and taught Judging school for the NYS African Violet Society for several years.
